He didn't sleep with her.

Justin brought girls back home and he threw a small party. Chicken nuggets, doritos, a pool table etc etc. The girls got their phone confiscated so they wouldn't take pictures. Obviously, because he wanted to have fun without any media around. But when all the girls left, they got their phone back. So did this girl. When this girl got her phone back she sneaked in and filmed him while sleeping. Explains why the video was so short

Justin called it a night around 9 PM. He didn't sleep with any girls. It was innocent fun.

Chicken nuggets, doritos and a pool table? Poor delusional girl, maybe if he was shoving chicken nuggets in her ass while eating doritos and banging her on the pool table while on drugs and alcohol... That is a more likely scenario.
